

ATTENTION!

All PSMHS Scientific Community

Ponce School of Medicine & Health Sciences

Will be hosting its

7th Annual Research Scientific Conference

Date: Saturday, June 4, 2011

Purpose:

To increase local and Island-wide awareness of the research work undertaken at our institution in the following categories:

Medicine

Biomedical Sciences

Clinical Psychology

Public Health

Students and faculty from all School Programs and affiliated Institutions will be presenting their current scientific studies through **Oral or Poster presentations** in the four scientific categories mentioned above. We invite you to participate in this initiative. To submit your abstract please access the School Web page www.psm.edu, scroll down to the Conference link, and follow the instructions.

Abstract submission deadline is Friday, May 6 2011

Prizes will be awarded to the best presentations in each category. Continued Medical Education Credits will be available for attendants.

Leon F. Ferder, MD, PhD
Chair, Research Conference Planning Committee
