

March 13, 2020

Dear PHSU Community

At PHSU we are attentive to official notifications about a possible spread of the coronavirus (COVID-19), as well as the provisions and recommendations issued by national and state health agencies. We have started the process together with the deans of schools and programs to continue offering courses and educational activities using existing academic platforms (Zoom, Canvas, Moodle and Office 365).

Specific details will be provided by the Deans of each school and program in the coming days. We have already started conducting training sessions for the faculty to guarantee the continuity of academic activities remotely.

Classes will continue to be offered on the days and times previously scheduled by each school and program and student participation in the courses will be monitored using the interactive tools contained in the academic platforms.

We look forward to everyone's cooperation in this delicate situation and we hope to get ahead as we have always done.

Cordially,

Jose A. Torres-Ruiz, PhD
Chancellor
