REF: PHSU MAIN CAMPUS AND PHSU EAST CAMPUS

Dear Mr. Rojas:

The following is to inform you that after an ocular inspection of the above facilities, due to the seismic events that occurred on January 7 and 11, 2020; no damage was observed of the main or primary structural members, such as columns, beams, bearing or shear walls, slabs and elevators hoist ways. There is no indication that structural integrity of the buildings has been affected.

Cordially;

Axel Bonilla Cortés, P. E.
